### SK Law Office Launches International Visa & Migration Services Department

Phnom Penh, Cambodia – SK Law Office is proud to announce the official launch of its International Visa & Migration Services Department, effective August 8, 2025, as part of its continued commitment to expanding global legal services and supporting cross-border mobility.

This new department will be led by Mr. Paul Yem, a seasoned expert with over 20 years of experience in the field of visa, immigration, and migration consultancy. Under his leadership, the department will offer a full range of services, including:

- Business and investment visas
- Employment and skilled migration
- Family sponsorship and reunification
- Study and training visas
- Citizenship and permanent residency solutions
- Legal advisory for complex immigration matters

The launch of this department reflects SK Law Office's strategic expansion to better serve international clients, diaspora communities, and businesses navigating complex migration frameworks.

"We are proud to offer full-service immigration legal support to individuals and corporations around the world," said Madam President, Founder of SK Law Office. "With Mr. Paul Yem's leadership and expertise, we are confident that our clients will receive world-class service rooted in integrity, precision, and care."

Legal professionals interested in joining this department or collaborating on cross-border matters are encouraged to consult directly with Mr. Paul Yem.
